

TECHNICAL DATA SHEET – TOPWELL 17 SUPER

The foundation of TOPWELL 17mm SUPER mat are 27mm wide aluminium sections, connected by a stainless steel wire and separated by rubber rings, making it possible to roll the mat for better handling when cleaning. Brush strips are firmly inserted into the aluminium sections.

Brush strips are used in cleaning zone 1 for removing rough dirt (stones, mud).

Brush strips can be replaced when worn out.

Technical parameters
